Philosophy

Providing access to well structured appropriate early childhood play sessions to power and influence every child's development

• FOR CHILDREN

- We believe every child is unique with their own interests, learning style, individual development timetable and culture.
- We aim to reach all children especially those who are geographically, socially, or otherwise isolated and provide them with the time, space and opportunity to interact in a meaningful, fun and educational environment.
- Every child is encouraged to participate and benefit from social interaction with other children and adults.

• FOR FAMILIES

- We actively encourage families to attend sessions and interact with each other, especially those who are geographically, socially or otherwise isolated.
- We embrace diversity and respond to changing individual and family needs.

• FOR STAFF

- We will aim to create an inspirational environment which supports their motivation and commitment, and which encourages fosters continuous personal development.
- We will endeavour to earn the respect of families through commitment, dedication, trust and educational expertise.

• FOR THE COMMUNITY

- We will liaise with other services and resources to enrich our programs and support existing community programs.
- We will encourage and facilitate a sense of community ownership.
- We will communicate with specialists to assist in planning and enriching programs for children with additional or special needs

• FOR THE PROGRAM

- We will present a wide range of materials and experiences to form a positive framework in which children can develop in all areas that are based on the individual interests of each child.
- We will provide an anti-bias, inclusive program that caters to individual needs and supports culture and diversity.
